

Learning to understand

Problem Solving

Adapting existing knowledge and skills, to tackle unfamiliar problems

Thinking Logically

Experimenting and trialling, thinking things through step-by-step

Questioning

Having an enquiring mind. Exploring how, why and what if ?

Making Links

Seeing the connections with all learning or the outside world

Being Resourceful

Seeking and selecting the best available resources for a task

Creative Thinking

Using imagination to generate fresh ideas and original solutions

Learning to Understand Habits

Are you using the full capacity of your brains to really think and in a variety of ways?

- Are you able to reason things through logically and systematically?
- Are you curious and willing to ask challenging questions of yourself, friends and teachers?
- Do you make links between diverse experiences in/between/outside lessons?
- Are you able to capitalise on internal and external resources autonomously (yourself)?
- Do you use your imagination to consider new possibilities?
