## Headlines

### Dear Parents and Carers

At the beginning of the holidays we launched our “donate a paving stone” campaign. This will enable us to raise money in order to make Roundwood Park’s contribution to the funding given to us for the 3G pitch. The Harpenden Colts are involved in this as well and everyone is really excited about the prospect of making sure that we can deliver this project for the community.

If you wish to contribute to this, whether you are a parent whose children are nearly finishing at the school, or a parent for many years to come, we hope that you will help raise the necessary funds by clicking on the image at the bottom of this page.

Many thanks,

Alan Henshall  
Headteacher

## Roundwood Park Community Pitch

We are delighted to announce that the Football Foundation have approved our application for a grant to support the construction of a state of the art, full size, floodlit artificial turf pitch here at Roundwood Park.

It is anticipated that building work will start before Christmas and that the **Roundwood Park Community Pitch** will be ready for school, Colts and community use by Easter 2018.

The pitch will enhance the sporting provision at Roundwood Park School, provide a vital local home training venue for Harpenden Colts and offer exciting new opportunities for people of all ages in the local area to keep active and participate in sport.

The Football Foundation will provide the bulk of the funding for the new pitch but Roundwood Park School and Harpenden Colts will also make substantial contributions. **We are now launching a major, joint fundraising drive to raise £200,000 from individual, family and business donations.**

Continued over.../..

Roundwood Park Community Pitch  
Supporters Paving Stones Available Now  
“Fit For The Future”  
[www.rpcp.co.uk](http://www.rpcp.co.uk)

## Roundwood Park Community Pitch cont'd..

To help raise funds, we are creating a paved pathway and viewing area which will be engraved with messages of support from players, students, families and businesses; a permanent legacy and recognition of support for the club, the school and our community.

You can support this project by making a donation to pay for a personalized paving stone. For families and individuals this is an opportunity to make a lasting and personal contribution to local sport provision in Harpenden. For businesses, this is a rare opportunity to acquire a permanent advertisement, which will experience significant footfall, at an affordable price.

To secure your personal or corporate paving stone, carrying your personal inscription or business information, visit [www.rpcp.co.uk](http://www.rpcp.co.uk) and donate today via our easy and quick website portal, powered by Uniform Easy.

You can even gift aid your donation, adding 25% to the value, or donate towards a paving stone as a gift, by downloading a gift certificate on check out.

Many thanks for your support.

## Year 10 Parent Consultation Evening

Year 10 Parent Consultation Evening will take place on **Thursday 16<sup>th</sup> November from 4.30pm until 7.30pm.**

## Absence Line

Tel: **01582 714049** or e-mail us at [absence@roundwoodpark.co.uk](mailto:absence@roundwoodpark.co.uk)

## Lunch Payments

### **AMENDING DAILY SPENDING LIMITS IN THE CANTEEN (BREAK AND LUNCH COMBINED):**

There are two ways to request an amendment to the daily spending limits you have previously set for your son/daughter:

1. When topping up your son/daughter's catering account on ParentPay, there is the opportunity to type a message in the 'notes' section in order to advise us of the daily amount you wish to set (please note there is no facility on ParentPay to request resetting the daily limit unless topping up at the same time).
2. You can send an email to [finance@roundwoodpark.co.uk](mailto:finance@roundwoodpark.co.uk) with your request. Please include your son / daughter's name, form and the daily limit you wish to set.

We aim to action any requests within 1 working day.

### **OVERDRAWN LUNCH ACCOUNTS:**

As notified previously, due to an increasing number of students going overdrawn on their lunch accounts and in order to cover the associated administrative costs, we have reluctantly taken the decision to incur a £1 overdrawn levy each time a student's account becomes overdrawn.

## Roundwood Park Community Pitch

Let's make history together

This is your opportunity to make a donation and be part of the biggest ever development in youth sport and physical education in Harpenden. We are creating a state-of-the-art, full-size, artificial pitch at Roundwood Park School, which will allow us to deliver the physical educational needs of our students, all year round. The artificial pitch is not just for football, and will allow girls and boys of all ages and abilities to enjoy a wide range of sports such as touch rugby, athletics and soft ball. You can support this exciting new facility in Harpenden by making a donation for a paving stone which will be laid within the viewing gallery in the new facility (see diagram below). We will acknowledge your donation by adding your personalised inscription to your paving stone. By donating, you can make a lasting and personal contribution to this much needed facility within the school and our wider community.

Why we need your donations

The **Football Foundation** will provide the bulk of the funding for the new pitch and we are very grateful for the donation of £10,000 from the Harpenden Society. Roundwood Park School and Harpenden Colts will provide the balance of the financing. We are now beginning a major, joint fundraising drive, seeking to raise £200,000 from individual, family and company donations.

Gift Aid

Not only will your donation make a big difference, we will also be seeking to claim gift aid on personal donations which qualify and invite you to complete a gift aid donation on checkout. By selecting gift aid we receive an extra 25% of your donation. You can also donate on behalf of a family member or a friend and download a gift certificate when you check out.

It's not just football

Roundwood Park School is committed to using the pitch for multiple sports. This will help us to fulfil a creative space not only in terms of educational needs but by promoting a healthy lifestyle and encouraging a wider demographic to take full advantage of this fantastic facility including; female, disability and over 55's participation.

# Krav Maga Karate

Congratulations to **Maisy Smith (8GT)** who has achieved black belt in karate.

Maisy has also completed an intensive Krav Maga Junior Assistant Instructors course which allows her to assist in training the children at the junior class.

The Krav Maga club Maisy belongs to is [Kmdt.co.uk](http://Kmdt.co.uk) and one of the junior classes takes place at Roundwood Park on a Tuesday.

# Maths Revision – November Update

All Year 11 students continue to have access to the **PiXL maths app**. This app will help students to diagnose areas of weakness. By completing questions on the app, topics are coded as red, amber or green according to student success on it. Then, when completing revision, students are able to focus their revision on the topics that are less secure (those coded as red or amber).

Below are the current leader boards for Y11 and we'd like to congratulate and thank those students who are engaging with the app as a means of revision. Just a reminder, the app is available to access on a PC (google PiXL maths app) or as an apple or android download on the relevant app store.

## CLASS ENGAGEMENT LEADER BOARD

### Year 11 PiXL Maths App Leaderboard

as at 30th October 2017

1. HATHAWAYL	136
2. EDBROOKA	121
3. PIEPGRASSS	121
4. SHELLEYM	118
5. BURNSA	114
6. SMITHE	108
7. ECKLEYA	107
8. MOURAA	104
9. COLLEDGEJ	96
10. MCCULLOUGHM	95

Furthermore, there are plenty of **revision resources** available on the Year 11 GCSE maths revision section of the **VLE**. This includes logins to the [www.justmaths.co.uk](http://www.justmaths.co.uk) website which provides extremely useful revision videos and exam questions on topics which overlap on both tiers – ideal for anyone in sets 5 or 6 (or anyone in higher classes who wish to review the lower graded topics on the higher paper).

The maths department would like to thank you for your continued support with encouraging your child to complete revision for maths on a regular basis.

*Jarrold Keegan*  
*Head of Mathematics*

# Another year of success at the trampette and tumble competition!

On Thursday 12<sup>th</sup> October, Roundwood Park Trampolining Squad once again competed in the Trampette and Tumble competition at St. Albans High School. The competition is held every year between Roundwood Park, Sir John Lawes and St. Albans High School. Each participant has the opportunity to compete at both trampette and tumble in one of three categories – beginner, intermediate or advanced. We had been training very hard and had high hopes to achieve some medals.

The hard work paid off and we were rewarded with everyone placing in a medal position. Well done to all who competed and a big well done to **Bronwen M, Claire B, Ellie F, Izzy S, Katie K, Amy K, Connor G, Alex B, Alfred** and **Alex P** for winning gold medals in both categories – what an achievement!

In addition there is an overall trophy for the highest score in trampette and tumble, regardless of event or age group. Congratulations to **Katie K** who won both of these!

Also a massive thank you to those who came to judge – your help was greatly appreciated! Hopefully the successful start to this year can continue as the squad now begins to train for Regionals in December.

*By Naomi Dumpleton*

## Senior Citizens' Christmas Party

### DONATIONS WANTED!

As part of the Senior Citizens' Christmas party, which takes place in December, 12M are organising a tombola and would be very grateful to receive **donations of prizes**.

If you have any suitable **new** gifts, which you would like to donate, or know of a company who would be able to contribute a voucher, we would be very pleased to receive them.

**Students should bring the donations in over the next few weeks and bring them to the MFL office.**

Many thanks in advance,

*Mrs Phillips & 12M*

## Harpenden Christmas Carnival – Sunday 26 November

The Christmas Carnival will take place on the 26th November down the High Street.

A spectacular event in Harpenden High Street, encompassing a carnival procession, walkabout entertainment, charity stalls, a farmers market, turning on of the Town's Christmas lights, fairground rides and festive shopping!!

Father Christmas and his Elves will be stopping by again to visit the children of Harpenden, and our famous Christmas Lights will be switched on as the sun goes down at 5pm.

*Harpenden Town Council*

## A visually informative day out - Art and Art Textile students visit the Knitting and Stitching Show in London, October 11<sup>th</sup>

We are proud of students from Art and Textiles in Years 10, 11, 12 and 13 who visited the Knitting and Stitching show in London recently. This is the biggest show of its type in the country and a venue that hosts the work of some exciting and innovative artists.

Our students were briefed to research and investigate the work of at least three artists; interview them, take photos and record observations using drawings and notes. The work was started at the exhibition and completed in their sketchbooks afterwards.

The confidence students had in approaching designers and makers about their work reflected their connection with RPS Aspire learning habits particularly questioning, risk taking, making links and creative thinking. Exhibitors commented on how enthusiastic and confident our students were in their communication.

One of the artists who students spoke with was a recent graduate specialising in a type of machine embroidery. Her work was inspired by optical illusions and she had been approached by Jaguar Land Rover for car interior design work. She was happy to explain her design process from concept to outcome to our students.

Another graduate approached by our students specialised in embellishing digitally printed fabrics with hand stitched embroidery and beadwork. He is currently working as an embroiderer for the Alexander McQueen fashion house. His work was inspired by bugs and beetles.

It was exciting for our students to see first-hand the work of designers/artists who are using their creative skills to work and collaborate with companies in the commercial world.

This show also enabled our students to collect source material and investigate ideas that can support their own creative thinking and outcomes back in the RPS studios.

*Art Department*

# Expressive Arts

## SPOTLIGHT

In this edition we talk to professional theatre director and ex-Roundwood Park student Rebecca Hill.

"At the time I took my A level in drama, I knew I wanted to go to university, but I wasn't sure what I wanted to do. I thought a lot about going into psychology and even pathology, but during my A Levels I discovered that I much preferred engaging with ideas rather than just analysing them. I really enjoyed taking drama at A level, it made me happy. I could be myself whilst exploring how I could be different.

A level drama helped me develop leadership and problem-solving skills. It is about learning to create, learning to stand behind your own ideas, as well as developing the ability to compromise. It is also about finding the balance between work and play. All of the skills that make me a good worker and make people want to work with me came from my time studying drama.

A personal challenge I faced whilst studying drama as an A level was that I was very ill and was in and out of hospital. A huge weight was put on my shoulders when I got my diagnosis and the way I processed it was through drama. Between the ages of 15-17 I wrote a play and when it was finished I entered it into a national playwriting competition. I found out it was a finalist in the competition, and so at university I directed a low-budget production of it and fell into my career. I didn't study drama at degree level, I went to Cardiff University to study philosophy, but I joined the Drama Society there. The friendships I made through that are the ones that have lasted, not my subject based friendships. I loved my degree, but I realised in my third year that I was much more passionate about the things I was doing for drama society. It was also post-recession and so when I graduated and there were no 'traditional' jobs, I had the license to follow a more vocational job that makes me happy.

These days I am a professional theatre director and it's going well. I have won a prestigious award at Edinburgh festival for a show that I wrote and directed, I have worked at the most respected theatres in the country and directed actors including Tamsin Greig and Pauline McLynn. I often teach on University Acting courses, and read scripts for a major UK theatre.

As discussed above, A level drama instilled in me the skills required to work. I learnt everything I needed to be a good worker from drama. But drama also makes me happy, it helps me compromise, it helps me maintain positive relationships. Drama develops your empathy, it develops your confidence. I honestly believe doing drama makes better people. As an extra bonus, it was through the world of theatre that I met my partner!

Doing a drama A level has never hindered me in life and has always been helpful. In my experience, places of study and work consider drama to be a beneficial qualification, particularly when a school like RPS heavily focuses on academia - drama demonstrates that you are a socially, emotionally intelligent person as well.

My advice to students choosing what courses they want to do would be to think seriously about what makes you happy and what you want out of life. What they don't really drum into you when you're at school is that you have to go to work every day, for a really long time, and without much holiday. It sounds stupid, but it really is every day. Like school but for 40 years! Being an adult is really great but it's also really hard work. Think about what you want to do and the skills you want to have to be able to be the happiest you can be."

If you have a story you'd like to share with us about how studying **Art, Music, Drama, PE, Textiles** or **Photography** at RPS has influenced your life since school, then please get in touch with

[m.garbutt@roundwoodpark.co.uk](mailto:m.garbutt@roundwoodpark.co.uk)

## Alumna of the month: October 2017

### KATHERINE SEGAL (1996-2003)

After gaining top A level grades, Katherine went up to Oxford University to study Politics, Philosophy and Economics (PPE) and graduated in 2006.

Katharine's career developed in the field of accounts and digital innovation. She has also been a Senior Campaigner for **Change.org** and was involved in supporting the digital campaigning for US Senator Elizabeth Warren in 2012.

She was the Lead Organiser at FutureGov which dealt with digital innovation and change. She then became the Digital Director for **The Labour Party** for over 2 years before working as a **freelance Strategy Consultant** in London, providing consultancy around growth (holistically looking at business strategy, marketing, product and operations) to a range of startups and support with digital transformation to NGOs.

Currently Katherine is the Campaign Director for the Great Get Together at the **Jo Cox Foundation**.

**26 February**      **Grey-Thompson**

**26 March**      **Owens**

# PTA Social Events

The PTA has started a new two-year campaign to raise £30,000 to purchase 570 new classroom tables.

We need 15 tables per classroom at a cost of £50 per table.

We will donate every £1 we raise to the fund and you can also donate via Parent Pay.

## Comedy Night Saturday 3 February 2018

Tickets for our comedy night will go on sale at the end of November 2017.

We have lined up some fantastic comedians for this fun evening.

Come along with your friends, enjoy a drink from the bar and have a laugh.

## Second Hand Uniform Sales

Next: Sat 27 January (1–2.30pm)  
Summer Shirt Sale: March 2018  
End of Year Sale: June 2018

### How to donate Second Hand Uniform:

Please continue to donate your laundered, quality second hand uniform by dropping it off at reception. We also welcome donations of trainers/football boots, rucksacks, outdoor tops and jackets/coats. *Please note we no longer require the old style red rugby shirts and white PE tops.*

## Parent Pay PTA Donations

You can support our PTA fundraising campaign by donating on Parent Pay.

 Add £1 to the PTA fundraising target of £30,000 for 570 classrooms tables for 38 classrooms – each classroom needs 15 new tables.

 Buy a new classroom table leg for £7.50 to help us reach our target of 570 new school classroom tables. Tables cost £50 each.

Buy a new classroom tabletop for £20 to help us reach our target of 570 new school classroom tables. Tables cost £50 each.

## Contact Us & Event Booking Forms

The PTA is a registered charity and we can be contacted on [pta@roundwoodpark.co.uk](mailto:pta@roundwoodpark.co.uk).

Details of all our activities and booking forms can be found on the school web site under "Parents".

**Go-Kart Party**

*The most fun kids can have!*

**\* NEW\***

# Go-Kart Parties at Roundwood Park Sports Centre

**Go-Kart Party**

*The most fun kids can have!*

It's official... Roundwood Park Sports Centre has agreed terms with Go-Kart Party Ltd to host Go-Kart Parties.

The karts have now arrived and we are very excited to get the show on the road or, in this case - the track! Not only will these be a great addition to the **party packages** we already deliver, but can also be combined with our **Bouncy Castle Parties**. Click on the following link to experience a Go-Kart party: [Go-Kart Parties at RPS](#)

For further information visit

[www.roundwoodparksportscentre.co.uk](http://www.roundwoodparksportscentre.co.uk)

Or contact us on **01582 714019** / [lettings@roundwoodpark.co.uk](mailto:lettings@roundwoodpark.co.uk).

# Wednesday Club

Wednesdays, 1 – 2 pm in E1

This is a new support session designed to help our **dyslexic learners** flourish. Students of **all ages** are invited to bring their:

- home learning tasks
- classwork that needs revisiting
- vocabulary that needs learning
- revision lists that need to be transformed into helpful resources
- general concerns about their learning

Specialist teaching staff will be on hand throughout lunchtime to discuss concerns, support learning and guide students in the right direction.

Touch typing support will also be on offer.

Please note that you do NOT need to be diagnosed dyslexic to attend. You may suspect that you have dyslexia or you may display some dyslexic traits.

We look forward to welcoming you soon.

K. Briggs, J, Hubbard and M. Lennon

or call **01992 440091**.

## TOWN MAYOR'S MESSAGE

Welcome to this year's Christmas Carnival at which I am sure everyone will have a fantastic time.

The Carnival will, as always, include a chance to visit Santa in his Grotto, and a wide variety of craft, charity and food stalls, as well as the procession along the High Street, starting at 3.00pm, and the spectacular Christmas Lights Switch On at 5.30pm – a spectacular not to be missed!

The Carnival is a wonderful opportunity for everybody in Harpenden to come together and join in the festive spirit, support local charities and maybe even do some Christmas shopping.

My thanks to the Town Council and fellow members of the Christmas Carnival Working Party for all of their hard work, and a big thank you to our wonderful sponsors, of which many of whom are regular sponsors of our community events and our Christmas Carnival each year.

I wish you all a very Merry Christmas.  
Councillor Rosemary Farmer  
Town Mayor
