Dear Parents and Carers

Last week our junior public speaking team comprising E. Hughes and A. Holmes competed in the Houses of Parliament debating competition for the Hitchin and Harpenden constituency. As you can imagine, there was very stiff competition with some amazing schools competing: Sir John Lawes, St George's, Hitchin Boys', Hitchin Girls' and The Priory. I am very proud to say that both the teams did well and the junior team won the title. In the next room the senior team comprising D. Vasev and J. Wright made a good account of themselves debating on a very challenging topic. Well done to both teams for representing the school so well.

We currently have two vacancies for Parent Governors. If you would be interested in joining our highly effective Governing Board please complete the application form on the website. If you wish to discuss the role before deciding to stand please contact me at head@roundwoodpark.co.uk

This week I appeared in front of the Public Accounts Committee at the House of Commons. The group, chaired by Meg Hillier MP and featuring our own local MP Bim Afolami, wanted to ask about teacher recruitment and retention.

Along with a Headteacher from Stoke on Trent we were asked to give an impression of working conditions for teachers in schools at the moment. The link to the debate can be found here: parliamentlive.tv/15/11/17

Have a good weekend.

Christmas Lunch - Tuesday 12 December 2017

Our popular Christmas lunch will take place this year on **Tuesday 12 December**, at a cost of **£3.50 per student**. This includes a **choice of a traditional turkey main course (including pigs in blankets) or vegetarian option, a dessert and a cracker.**

As in previous years, payment will be required via ParentPay against the payment option entitled 'Christmas Lunch' (please do not hesitate to contact the Finance Office if you have forgotten your username and password). **The closing date for payments is 11am next Tuesday 21 November.** Please note that payments cannot be accepted after this date as the final catering order has to be placed the following day. **If payment is not received by 21 November, your son/daughter will require a packed lunch on 12 December, as there will be NO alternative food, either at break or lunchtime, on the day.**

There is a mandatory 'notes' field on ParentPay in which you must specify either 'turkey' or 'vegetarian'. Additionally, if you have an allergy or intolerance to specific food types, this must be added to the 'notes' field. If a food option is not specified, it will be assumed that your son/daughter would like a turkey meal.

If your son/daughter is eligible for free school meals, he/she will automatically be allocated a turkey meal and no payment will therefore be required. **However, you will need to inform our Catering Manager, in writing and before 21 November, if your son/daughter requires a vegetarian option or has a food intolerance (email s.papworth@roundwoodpark.co.uk).**

All students will be able to check that their payment has been received by looking at the list on the notice board by the canteen entrance (which will be updated by lunchtime from tomorrow on a daily basis). A note will additionally be made on Bulletin each day reminding students to check the list.

The Christmas meal is ordered in quantities to meet demand and regretfully therefore we will be unable to provide a refund if your son/daughter is absent on 12 December.

In case you have not used ParentPay for some time, the instructions on how to make a payment are given below:

- Under your son/daughter's name you will see two tabs. Click on the yellow tab entitled 'Pay for other items'
- Alongside the Christmas lunch option click in 'View'.
- You will now be required to complete the 'Notes' section as detailed earlier..
- On the next screen, click on 'Add to basket' (**IGNORE the option to 'Pay by Parent Account'**)
- Click on 'Continue shopping' if you have more items to pay and once all selections have been made click 'View basket and pay'. There may be a section on this screen regarding donating to iRoundUp. Please note that this is nothing to do with our school's fortnightly newsletter, nor anything originating from us. You can click on the link if you wish to find out more
- On the next screen, click on 'Pay now' and then input your payment card details, where indicated.
- Click on 'Review payment'. A box will appear which confirms your selection. From here click 'Make payment'
- The following screen outlines the details of payments just submitted. Select 'Confirm Your Payment' to continue
- You may now be directed to a secure bank card verification screen. If so, enter the details requested and then press 'Submit'.
- You should now be taken back to the home screen with a notification stating 'Payment successful' and you will receive a second confirmation via email.
- If you are in doubt as to whether or not you have paid, click 'Transaction history' on the left hand side of the home screen, then click on 'Payment history', input the relevant dates and finally click 'Search'. You will then be able to see all payments within the relevant period

Please do not hesitate to contact the Finance Office (before 21st November) should you have any queries (01582 765344). If you wish to email your query **please do not reply to this email, as it is only used for outgoing messages**, but contact us via finance@roundwoodpark.co.uk.

Parent Governors Needed at a School Near You!

Governors are one of the largest volunteer forces in the country and have an important part to play in raising and maintaining school standards. The role of the governing board is absolutely key to the effectiveness of a school.

You should have recently received an email informing you that at Roundwood Park we have the chance to appoint two new parent governors this term. Could this be the opportunity you have been waiting for? A parent governor (at another school) recently said:

"As a parent, how a school works can be a bit of a mystery, but being a governor has helped me understand a lot more about my children's education. Schools need a lively governing body to help shape and oversee how they are run and it is satisfying to feel that your views are valued and can have a positive influence. Being a governor though is more than just contributing to the school, I see it as a useful way of giving something back to the community in which I live."

So,

- Do you have an interest in education and the local community?
- Would you like to contribute to the work of the governing board to ensure high standards of achievement for all the young people at Roundwood Park?
- Could you hold our executive leaders to account for the educational performance of the school?
- Are you keen to have an input into the strategic direction of the school and act as a 'critical friend' ensuring clarity of vision, ethos and strategic direction?
- Could you help to oversee the financial performance of the organisation and make sure its money is well spent?

If yes, why not put yourself forward to become a Parent Governor of Roundwood Park School? The only requirements are that you must be the parent of a child at the school and have an interest in the development and continued success of Roundwood Park School.

There are currently two Parent Governor vacancies and nominations are being sought with a closing date of 29th November. If you have not received the nomination form via email, please email admin@roundwoodpark.co.uk.

Please follow [this link](#) if you would like more information about what it means to be a governor at Roundwood Park School. Alternatively, please contact Moira Hart, Chair of Governors by emailing m.hart@roundwoodpark.co.uk. Moira would love to hear from you and tell you more about what it means to become and governor and why it is so interesting and rewarding.

Donations Wanted for Senior Citizens' Christmas Party

12M are still collecting **donations of prizes** for the Senior Citizens' Christmas Party in December. If you have any suitable **new** gifts, which you would like to donate, or know of a company which would be able to contribute a voucher, we would be very pleased to receive them.

Students should bring the donations in over the next few weeks and bring them to the MFL office.

Many thanks,
Mrs Phillips & 12M

Mary Shelley's Frankenstein Abbey Theatre, St Albans

An adaptation of **Mary Shelley's *Frankenstein*** will be staged from 23 February to 3 March 2018 at the Abbey Theatre, St Albans, with a dedicated performance and post-show talk for schools from 8pm on **Tuesday 27 February**.

At the conclusion of the performance on 27 February, students will be invited to stay in the auditorium for a chaired Q&A with the cast and creative team, to learn about the process of adapting and interpreting the novel for the stage. The panel will also be joined by Dr Samantha George, a senior lecturer in gothic literature and women's writing at the University of Hertfordshire.

Students in Years 10 and 11 who are studying this novel for their GCSEs may well find this a useful and interesting addition to their English literature studies.

World Wise Quiz

The geography department sent 18 students to St George's for the World Wise Quiz last Thursday 9 November. We entered four teams from Year 8 and three teams from Year 9, competing against teams from Sandringham, St Albans Boys', St George's, The King's School, Beaumont and Sir John Lawes.

The Year 9 team of E. Turner, O. John and E. Piepgrass won their age group and effectively came second overall as only a Year 10 team beat them for total points.

In Year 8, a team of two, G. Lamb and J. Brighton won their age group, coming 4th overall across Years 8-10.

Thanks to St. George's for hosting the quiz and for the prizes (fantastic inflatable globes!), and to the other five participating schools who helped to make it such an enjoyable event.

Expressive Arts

SPOTLIGHT

In this edition we talk to ex-Roundwood Park student Abi Smith about how studying textiles at A level led her to a career she loves.

"I left Roundwood in 2013 having studied Textiles, Photography and English Lit at A Level and went on to start studying Fashion Design at Nottingham Trent that same year. Textiles was my favourite subject throughout GCSE and A Level as it allowed me to create in such a wide variety of ways. When I left I had ambitions of studying Fashion Design, however after the first year of study at Nottingham Trent I realised the course wasn't for me. Coming from a very creative textile background, I had to start from scratch in the Fashion course, and was always told that my work was too 'textiles'. I would encourage any student who is leaving A Levels without any prior Fashion Design knowledge to study it at Foundation beforehand to build skill and confidence. I did stay at Trent however, and moved into the second Year Textiles course smoothly where I found where I was meant to be all along. I specialised in embroidery and after graduating with a 2:1 in 2016, started working at the university as an Embroidery Technician only a few short months after I graduated.

Studying Textiles at A Level taught me an abundance of skills which I took with me and used throughout my degree. The variety of techniques and processes shown, prepared me for a similar environment at degree level. From being taught Batik, to print repeats, to a range of drawing skills and more, they all encouraged me to think more outside the box; something which I think is vital when studying a creative course.

As I studied both Textiles and Photography at A Level, time management was a personal challenge I had to learn to work with. I also had a part time job at the time (a florist) and so I had to be very organised in making sure each subject received equal study. Creative subjects can be more time consuming but equally I also did both as a personal hobby so most of the time it didn't feel like work. Being able to express myself creatively is something that is very important to my mental health and wellbeing. It allows me to express ideas freely, whilst being a relaxing outlet. Time management is really important at university, however I already felt prepared as I was aware of the ongoing amount of work from studying at A Level.

My degree experience was a fantastic one. Nottingham Trent is in the top 10 for Art and Design courses in the country, and it showed throughout my degree. The teaching staff were very supportive and encouraging, and there are so many facilities that the creative process can always pushed in a new and exciting direction. During second year there are also live briefs with companies, which give students a hands-on experience with how fast paced the industry is and can create amazing contacts. During the third year, two of my friends won a competition with a company called Ann Inc and received a paid internship in New York with them for 1 year. The degree show is an exciting experience, one Roundwood definitely prepared me for by having exhibitions of our work for GCSE and A Level.

Did the A Level and degree prepare me for the world of work..? Well I wouldn't have been able to become an embroidery technician without it! I've been here a year now and I really do love my job. When people ask me what I do, they assume I sit and do hand embroidery...that is definitely not the case. The embroidery department in the university has a large range of machines, from domestics to industrials to the multi-head (a computerised machine most often used in industry). I am also now working with one of the first year tutors teaching mixed media. Whilst I have been very lucky in getting this job, especially so quickly after my degree, if I hadn't I would still have been looking for a career in textiles by either working freelance or getting internships at embroidery companies.

Advice for students who are currently considering their A Level choices would be to pick what you have a strong passion for and are serious about taking further. A lot of it is about self-motivation. Unlike other subjects where you are taught something which you later have to repeat back during an exam, the arts encourages you to be an independent thinker and really push boundaries within many areas of life. Without the Arts, I honestly don't know what I would be doing!"

If you have a story you'd like to share with us about how studying **Art, Music, Drama, PE, Textiles** or **Photography** at RPS has influenced your life since school, then please get in touch with m.garbutt@roundwoodpark.co.uk

Dear Parents,

Friday 8th December is the last day for the Chess Club this term. We are planning to participate in a League match as well as friendly match. Thank you for your support given to Mr Meszaros who will be returning in January 2018.

Chess improvement comes from playing many casual games, matches and tournaments. Weekly session consists of structured lesson from our syllabus, interactive puzzle and casual games with analysis. Thank you for being on time to collect your child after chess club at 4.30 pm. We are happy to release the pupils to make their own way home at 4.30 pm unless you tell us otherwise. If collecting please come directly to the Music room at the rear end near the sports hall.

May I remind parents that you are asked to give me at least a half-term's notice if your child is wishing to leave chess club. Thank you for this consideration.

Planning for Spring Term 2018:

Pupils in all years are invited to attend the school chess club, either as complete beginners, or already knowing how to move the pieces. **To reserve your place** please send your completed registration form to the school office, in an envelope marked "**Chess Club**" no later than Friday 8th December or post it to my office to reach me by 15th December 2017.

There will be 10 sessions from 12th January until 23rd March. Our fees for the term, including VAT, remain at **£82.50**. Please note that fees are non-refundable in the event of absences or closure of the school for any reason. May I remind parents that you are requested to give me at least a half-term's notice if your child is wishing to leave chess club at the end of the term.

If you have any further questions please do not hesitate to telephone me. **07951 414489** (9 am to 9 pm)

Yours Sincerely, **Mr Kumar** (Chess Teacher)

How to Raise an Emotionally Resilient Child

Summary

All parents want their children to be happy and able to cope with whatever life throws at them. But we all know it isn't that straightforward. The latest Unicef report (2013) ranks the life satisfaction of children in the UK as 16th out of 29 countries and according to a report by Young Minds in 2014, 1 in 10 of our young people experience mental health difficulties. We can't protect our children from the pressures and troubles of life but we may be able to

help them cope with those pressures better, learn from setbacks and grab opportunities. This talk aims to empower parents to be help children through difficult times and every day challenges.

Who is this event for?

The topics covered are particularly suitable for parents of children who are old enough to 'think about their thinking' – say Y5 upwards. However it's also relevant for any parents who want to increase their own resilience and model it to their children at any age.

What parents will gain from the event

Emma will cover key factors that can have an impact on resilience and some of the myths that parents and children may have about what it means to be resilient. She will talk about the important role that parents can play as role models and teachers as they experience setbacks for themselves and for their children. Finally Emma will introduce some practical ideas about what parents can do to develop resilient thinking habits over time.

- Will learn what factors increase children's resilience and be able to identify ways in which they can influence these through their parenting.
- Will be invited to consider how to 'model' or teach resilience in everyday situations.
- Will learn to develop ways of talking to children about life's setbacks, in ways that increase opportunities for them to be resilient.
