

Cadbury House News (November)

We have started of this half term with the staff house quiz, organised by Mrs Callaghan (who was very sad to be unable to participate for Frank house). Cadbury did well at achieving 4th place so well done to all Cadbury staff that took part! We're currently 6th place regarding overall house points so this is something we need to work on this half term.

House music was such a fun event that we both enjoyed so much!! After an intense two weeks of rehearsals and a few issues with dance movements we managed to pull off our performance to a standard we were happy with! All of those involved were so enthusiastic and had a really fun evening being involved with the event and cheering on the other houses. Although we came last we are very proud of our performance piece girls who did Cadbury proud with their beautiful performance of Bruno Mars – Just the way you are. But obviously the best part of the show was the SLG choir!! Well done everyone!

As the new charity system has changed, we have met with our house leaders in order to finalise our 3 charity nominations. Our chosen local charity is the OLLIE foundation which helps with suicide prevention. Everyone was touched by Mrs Barron's story as she lost her sister and uncle to suicide. Our national charity is the Teenage Cancer Trust which is close to Georgie's heart as girl from her primary school died of a very rare cancer earlier this year. Finally, our international charity is the Saramek Trust, this charity was created by Miss Brimacombe's friend and its aim is to help children in Kenya go to school.

On November 17th it is World Prematurity Day so we are trying to get everyone to wear a touch of purple on this day to help raise awareness as it is the leading cause of death in children under 5 worldwide.

Millie and Georgie
