

# Scott House Update

## HOUSE MUSIC

We had an amazing time!!! Our performance piece group were up on stage first, singing Skyfall by Adele. In the group we had Danielle Coker and Rachel Broderick singing, Elliot Jones on the guitar, Will Grover on the piano and Anna Hayward-Surry on the drums. As house leaders, we are so unbelievably proud of their performance on the night and the weeks of rehearsals leading up to it!

A massive congratulations to them for coming 4<sup>th</sup>!

With our choir piece performing a Grease mashup, the audience were expecting big things and that was what they received! Scott house did an amazing job, with every move, every note and we have to repeat ourselves in saying how proud we are as a house that the whole choir came together, sung their hearts out and filled the St Albans Arena. Commitment to rehearsals was outstanding and we couldn't have asked for a better choir. We really hope that this choir piece encourages Scott house to get more involved in the following years, as every singer was a fantastic asset. Although we may have only come 6<sup>th</sup>, as a house we worked unbelievably hard and came so far!

Lastly a big thank you to our conductor Laura Bayne who conducted all of our rehearsals and kept Scott House in line! Everyone knows conductor is not the easiest of jobs, so we are very grateful as a house for all your enthusiasm and hard work that you put in over the weeks. We really could not have done it without you.

**SHOEBOX APPEAL** FANTASTIC EFFORT FROM SCOTT HOUSE! We came 2<sup>nd</sup>!!! The Shoebox appeal is not only a house competition, but a chance to be generous and give to those in need. Every year Roundwood has made a massive impact on the shoebox appeal, but this year the standard was raised a lot higher by our charity captains Vicky and Delphine and we are pleased to say Scott House exceeded expectation! A particular massive well done to Mr Libberton's form 7S1 who put in an outstanding effort. Your donations have gone to an extremely deserving cause so you should all be very proud of yourselves!

**STAFF QUIZ** Massive thank you to all staff who participated in the Staff Quiz, we came 6<sup>th</sup>!
