

Cadbury Updates

We are proud that the local charity that Cadbury proposed; the Ollie Foundation, was voted as the school local charity that we are supporting for the year. This is very close to Miss Barron's heart and one that Cadbury in particular are looking forward to fundraise for.

World Prematurity Day on the 17th November was a massive success and involved getting students and teachers in school to wear purple. With lots of questions such as 'why have you got that purple ribbon in your hair' and lots of posters around school raising awareness, we are happy about the awareness raised and Cadbury's efforts to get the word out.

We would also like to congratulate Cadbury in coming 2nd in House Drama which is a massive achievement! Thanks to involvement and planning they really did a good job and made Cadbury proud.

Also our year 7 netballers won a podium place and gained a massive 8 points for the House.

In the following weeks we are going to be focusing on our Charity week taking place in January. We are holding a fashion show on the 28th January as our main event which House captains, teachers and Cadbury students will be walking in, selling raffles and refreshments as well as selling the clothes shown in the walk. This will be our main event for the week. Other events during the week are being planned and we look forward to fundraise for the important and recently elected school charities.

Amazing news! The local charity we nominated has been chosen. Can't wait to start fund raising and raising awareness.

The OLLIE Foundation @THE_OLLIE_FOUND
#NewsFlash Delighted to share this fantastic news-This community support will fund training to support teenagers in crisis & save lives. twitter.com/rps_housesyste...
