

## Frank house update – Jan 2017

### House results:

3<sup>rd</sup> Sixth Form House Art  
4<sup>th</sup> Year 10 House Rugby  
7<sup>th</sup> Christmas Log Bake Off

Well done to everyone involved in the house events. Hopefully everyone had fun taking part and having a bit of friendly competition with the other houses. We encourage everyone in the house to get involved with upcoming events and hopefully win some more house points for Frank house! Cadbury's charity week is coming up and we are keen to support them in any way we can.

### House identity:

There has been a great response from all forms in Frank house when nominating their chosen identities. Our amazing house leaders have been doing a fantastic job in encouraging their forms to come up with ideas for house identity along with the all-important justifications.

We have high hopes of doing well in the year 9, 10 and staff spelling competitions and looking forward to university challenge.

Keep up the good work!
