

## Grey-Thompson House Update

### House Drama:

A few weeks ago a team of eager GT students from all years participated in House Drama, we spent the whole day planning and practicing, from acting to learning how to use the Stage Lights with the lead from Robyn Luffman and India Arkin (GT1). Some hurdles had to be passed to reach the final outcome but I am sure everyone should be very impressed with 4<sup>th</sup> Place

### Charity Week Planning

Charity week is just over two months away and preparations are beginning to be made to how we can make an outstanding week for not just our house, not just our school but our local community. Inspired by Franks House phenomenal success, we endeavour to continue in their stride and make this a historic year for Roundwood's house charities.

If any GT members or any members of any house have any ideas please don't hesitate to let us know.

### House Rugby:

House Rugby has taken place this week, we have seen some very muddy students in all years, and we have also done pretty well so far Year 7 have come 7<sup>th</sup> and year 9 in 5<sup>th</sup>.

### Movember:

We like to take the opportunity to congratulate Mr Keenleyside for his fantastic moustache, and all the other Movember participants throughout the sixth form and staff, although this not house related we still like to see the wider support for charities in our community.

Finally, we would like to say a huge thank you to Mr Keenleyside for his amazing efforts and additionally all house captions, as without them us as house leaders could not be able to do our jobs.
