

House Update October 2016

- Have started house music rehearsals, we have an amazing turnout with 70 people currently attending and the song is starting to come together well with only 2 rehearsals and everyone is getting involved.
- Had our first house assembly, went well with updating the house on our current successes and updates. House leaders have done votes in form time to choose this years charities.
- Lydia Bignell in M2 is trying to organise an army course colour run to raise money for our charities.
- Have elected the Year 12 House Leaders by them all doing a speech.
 - We won staff house tug of war!
