

Owens House Update

September – October 2016

- Great start to the year with an excellent performance from Owens in Sixth Form Inter-House Sports at the beginning of this year. We had a high level of participation.
- Effective meeting with HOH, discussing the agenda for the year and upcoming events.
- Had a successful first House Assembly, where all of the new House Reps in year 7 and 12 were introduced and given their new badges. Some even got involved with presenting. We played the song chosen for our House Music Choir Performance so that the house was familiar and those who didn't sign up would still feel like they're a part of it.
- Really good turnout for House Music sign up on the Monday and Tuesday. Didn't get any year 12's to participate after letting them know.
- We had a good first and second rehearsal for House Music. We've had 40+ people sign up. Auditions for the solo part has already been done (HC and HOH plus song arrangers were there to listen).
- We've been recording behind the scene videos during rehearsals, which will be submitted on Friday to Mr. Inns.
