

Owens House Update

Owens have been very determined and have participated in all the house events and competitions so far. Our Year 7 girls put in so much effort and played with such enthusiasm in their Netball competition. Despite not coming first, second or third, they were happy they took part. Oyinda, one of Owens house captains, was there to support and encourage them!

A big well done to the Year 7, Year 9 and Year 10 for a great deal of effort and amazing team work in the House Rugby competitions. Owens have collected a few points from each competition, but the most important achievement we have made as a team is the incredible input. Our Year 10 girls did wonderfully in bench ball coming 4th and the Year 11 girls, who come joint 5th with Mandela!

A MASSIVE well done to Owens!

So far this term, there has been an awesome level of participation and commitment from Owens! One of our goals set at the beginning of the year has been achieved already, which is great! Owens house captains are so pleased to see everyone so eager to be involved in all the activities.
