

Getting to know your Head of House

Meet Head of House for Grey-Thompson: Mr Keenleyside

Tell us something interesting about yourself?

My mum used to date Linford Christie (the Usain Bolt of the 1990's).

What plans do you have for the coming year?

Maintain and develop the great work of Ms Gallagher. Keep participation levels high at all events. Work closely with house leaders in order to get the best out of the Grey-Thompson students. Oh, and beat Wilberforce (Ellis, I'm coming for you!!!).

What is your favourite house event to date?

I love sports day! Everyone out on the field to watch their peers is special. It's also pretty fun watching some of the teachers run in the staff relay.

What is your favourite cheese & why?

I don't like cheese. It gives you nightmares.

If you could invite any guest, alive or dead, to dinner who would you pick and why?

I would pick the full cast of 'A league of their own'. The combination of Flintoff, Whitehall, Redknapp and Corden would be hilarious.

What was the 1st single you ever bought?

Heaven is a Halfpipe by OPM. Google it.

If you could be anywhere in the world this weekend, where would you be?

Plettenberg Bay in South Africa. That place is unreal.
