

# Scott house news update!

OUR NEWS THIS FIRST HALF TERM...

## House charity week

- Christmas themed as the week is the week commencing the 12<sup>th</sup> of December
- Dress up day. Christmas jumpers and Christmas accessories!

Our indefinite plans include...

- A santas grotto- outside of school
- Christmas market/Christmas fair. We know that Owens have already done a Christmas market before and it was successful but we want to make it Scott houses own. The idea of a Christmas fair like the summer fair would be great but we are currently trying to process how realistic it is to create stands around school but also pay for lettings etc.
- Santa cycle around the school, again the participation may be decreased due to the winter season and with families away BUT it is more than doable, and would be so fun for families
- Christmas carolling!!

## House choir and performance piece updates

- Our performance piece is Skyfall by Adele
- Our house choir piece is a Grease mega mix mashup
- We are going for nice and sleek costumes- skirt for the girls and trousers for the boys with a plain t-shirt
- Laura Baynes is our conductor
- Very good attendance to our house music choir, hoping for success this year!

## Fundraisers and achievements so far

- Scott house disco in September was very successful! Good foundation of money raised before our charity week
- House tug of war we came second
- Sixth form Interhouse we came fourth

## Any other updates...

Great participation in the Race for life! Massive congratulations to Frank house.

Our first house assembly went really well!

Good start to the term.

Lucy and Sophie

## REMINDER OF UPCOMING EVENTS:

- 21st October- shoeboxes need to be returned
- 8th November- senior maths challenge
