

This Christmas Give A Gift That Will Make A Real Difference

Construction is Underway

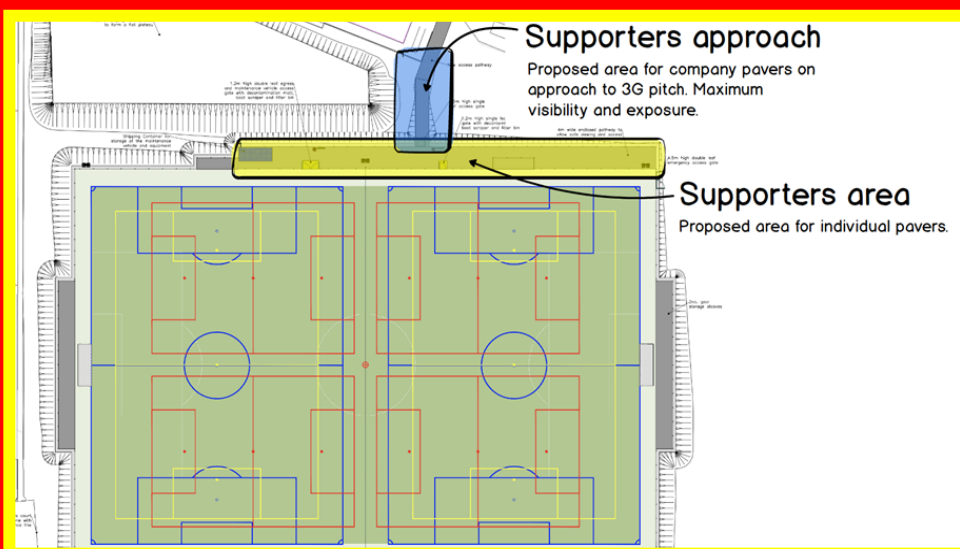

Construction of the **Roundwood Park Community Pitch** has begun. You can become part of its very foundations and help build a brighter, more active future for Harpenden and the surrounding villages.

Left to Right: Alan Henshall (Headteacher) and Moira Hart (Chair Of Governors)

Make a donation to pay for a personalised paving stone

The viewing area of the new all weather, multi-sport artificial pitch will be lined with paving stones engraved with personal tributes, names and memorials. To become a part of this specially designed area, you can **make a donation to pay for a paver and choose the message you want to carve into Harpenden history so your contribution will never be forgotten.**

Help us reach our fundraising target

Personalise a paver for your family, your children or dedicate it to someone special. We need your help to meet our fundraising target of

£200,000.

This Christmas Give A Gift That Will Make A Real Difference

Let's Make History Together

This is your opportunity to make a donation and be part of the biggest ever development in youth sport and physical education in Harpenden. We are creating a state-of-the-art, full-size, artificial pitch at Roundwood Park School, which will allow us to cater for the physical educational needs of our students, all year round.

The artificial pitch is not just for football, and will allow girls and boys of all ages and abilities to enjoy a wide range of sports such as touch rugby, athletics and soft ball. You can support this exciting new facility in Harpenden by making a donation for a paving stone which will be laid within the viewing gallery in the new facility (see diagram). We will acknowledge your donation by adding your personalised inscription to your paving stone. By donating, you can make a lasting and personal contribution to this much-needed facility within the school and our wider community.

Why We Need Your Donations

The Football Foundation will provide the bulk of the funding for the new pitch and we are very grateful for the donation of £10,000 from the Harpenden Society. Roundwood Park School and Harpenden Colts will provide the balance of the financing. We are now beginning a major, joint fundraising drive, seeking to raise £200,000 from individual, family and company donations.

Gift Aid

Not only will your donation make a big difference, we will also be seeking to claim gift aid on personal donations which qualify and invite you to complete a gift aid donation on checkout. By selecting gift aid we receive an extra 25% of your donation. You can also donate on behalf of a family member or a friend and download a gift certificate when you check out.

It's Not Just Football

Roundwood Park School is committed to using the pitch for multiple sports. This will help us to fulfil a creative space not only in terms of educational needs but by promoting a healthy lifestyle and encouraging a wider demographic to take full advantage of this fantastic facility including female, disability and over 55's participation.

Thank you for your support!
Please share this email on social media to help pave the pitch.
