

**THINKING ABOUT STUDYING
PHILOSOPHY AND ETHICS?**

What do all these people have
in common?

Philosophy literally means the 'love of wisdom'.

Philosophy and Ethics is the study and analysis of the world and people to understand why they behave as they do and how their approach to the world impacts on their actions.

Is it possible to choose to believe you don't have free will?

Did you really choose to read this sentence?

Are you the same person you
were when you started reading
this sentence?

Religious studies helps develop understanding of spiritual, moral, ethical, social and cultural studies.

Should people who have been brought up to know only violence, be given lenient punishments?

Should parents be allowed to select the characteristics of their child?

What would you chose?

What would you parents have chose for you?

Is the big bang a sufficient explanation?

Can everything be explained
by evolution?

Religious studies develops a variety of skills, including those of discussion and debate.

The valuable skills of logical argument and critical evaluation are also developed and can be transferred to other areas of study.

The background of the image is a deep black space filled with numerous small, bright white stars. A prominent feature is a large, glowing nebula in shades of blue and white, with a bright central core. The nebula's structure is complex, with swirling and filamentary patterns. Two bright, diagonal streaks of light, possibly representing star trails or light artifacts, cross the scene, one from the top right and another from the bottom left, intersecting near the center of the nebula.

Can you describe nothingness?

Why do people believe?

God y boŵ

But I don't
want to be a
vicar!

FAQ

Do you have to be religious to do RS?

No, the majority of our students are not. The course challenges you to reflect on and be able to defend your views.

Do you have to have completed the full course RS GCSE?

No, all you need is a B GCSE grade in a Humanities subject and a B in English.

What degrees can I do with RS A level?

Any! RS is highly regarded by universities and employers as it proves that you are able to think, discuss and evaluate. It is an excellent preparation for any humanities degree.
