

## Reviews of marking - centre assessed marks (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments)

Roundwood Park School (RPS) is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. RPS is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. RPS will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body. Candidates will be informed of their centre assessed marks no later than the second day of the summer term.
2. RPS will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment. Having received a request for copies of materials, RPS will promptly make them available to the candidate.
3. RPS will inform candidates that reviews can only be requested on the basis of errors in the application of the mark scheme or wider failings of the standardisation process and cannot provide opportunities for a second opinion on the mark or address perceived failings in the preparation for the assessment.
4. RPS will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision. This will be no later than five school days after a candidate has received the marks for their assessment.
5. Requests for reviews of marking **must** be made in writing using the Centre Assessed Mark Review Request form available from the Exams Office. Please be aware that marks could go down as a result of a review and there is a non-refundable fee of £30 to cover the costs of each review. (*Cheques made payable to Roundwood Park School or Via ParentPay /Examination Fees*)
6. RPS will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. RPS will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate, and has no personal interest in the review.
8. RPS will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking, using the Centre Assessed Mark Review Request form.
10. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of the RPS and is not covered by this appendix to the exams policy.
