

# Work Experience Programmes

2020

Your guide to the UK's top employers' 2020 work experience programmes.

# Welcome to Springpod

Thank you for downloading Springpod's guide to 2020 work experience programmes. December and January are a crucial time for young people to apply for work experience programmes. Many top employers will be closing applications in the next few weeks.

Young people can use Springpod to find and apply for work experience opportunities with the UK's top employers. It's completely free for young people, parents and teachers to create accounts on Springpod.

## Atkins and Faithful+Gould Work Experience

You'll be working with, shadowing and learning from the team you're placed with, for between five and ten days. As you spend time with our people, you'll get to grips with live and past projects and begin to understand how the world of business works. You'll have the chance to work on your own project(s), with help from your supervisor and the team, and then present your findings back. We'll be there to support you and help you get the most out of your experience.
