

# Which Business is Best for me?

We offer 2 courses for Sixth Form and they have some similarities and differences. Both are worth UCAS points for university entry and employers accept and understand both qualifications. Each course is suitable to different students and if you require and help with this choice speak to Mr Desborough

- Both courses cover a wide range of Business Theory, including Marketing, Human Resources, Operations, Business Start-up, Finance and Stakeholders
- Both courses use real business examples and research of businesses
- Both are 2 year courses
- Both can be taken without previous study of Business at GCSE

## BTEC Extended Certificate L3

- This is the single course, see info on Diploma for longer course
- Two units in Year 12 and two in Year 13. Mix of 25% exam and 75% Controlled Assessment or coursework
- One exam in year 13
- Requires mathematical ability in the coursework to work on accounts
- Requires ability to complete written coursework assignments and meet deadlines
- See entry requirements page in the prospectus for who we admit to this course

## A Level

- Is all Exam based with 3 exams in Year 13
- Requires mathematical ability in the exams to work on accounts and ratios
- Requires ability to complete extended answers in all exams
- See entry requirements page in the prospectus for who we admit to this course
