National Careers Week
1-6 March 2021
#NCW2021

It’s not easy to choose between university and apprenticeships, especially if you’re not sure what to expect. Does joining an apprenticeship mean giving up your social life? Does attending university mean you won’t get any work experience?

To help you make this decision we’ve compiled a list of answers to frequently asked questions about the differences and similarities between university and apprenticeships.

Check out our article on [uni v. work: what to expect.](#)

The 200 most popular employers
for school leavers 2019/20

The *School Leaver 200* publication is your guide to career choices, university and the different types of apprenticeships available to you – including degree apprenticeships. You can also use it to research the 200 most popular employers as voted for by 12,384 school students in the 2020 Cibyl School Leaver Research. Plus, it includes exclusive interviews with apprentices and university students to give you a sense of what life is like on each route.
