

## Parent Guide for Roundwood Park School

---

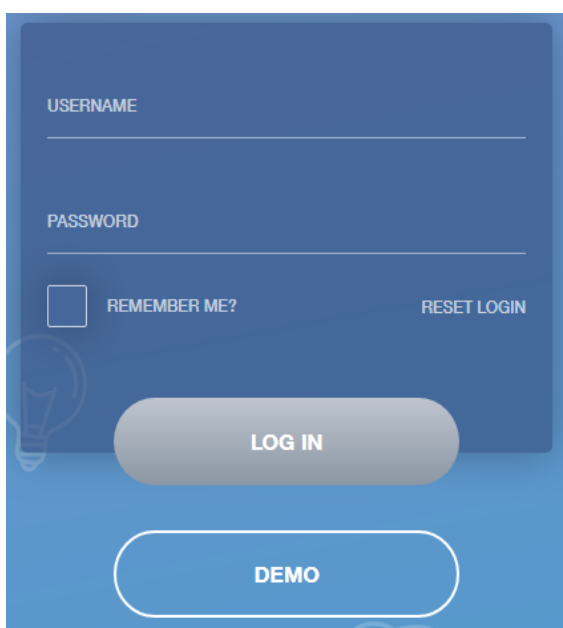

## A Parents' Guide to Getting Started with "EduLink One"

There are two ways to use EduLink One: through a web browser like Google Chrome or through an app you can download to use on your mobile device. The EduLink One app is available for iOS and Android devices.

### Web Browser Instructions

This is your school's individual login link if you use a browser to log in.

Start by going to <https://roundwoodpark.edulinkone.com/#!/login>

After clicking the link this will take you straight to the EduLink One login page for your school.

Here you will just need to enter your **username** and **password** to login. This will have been sent you by the school.

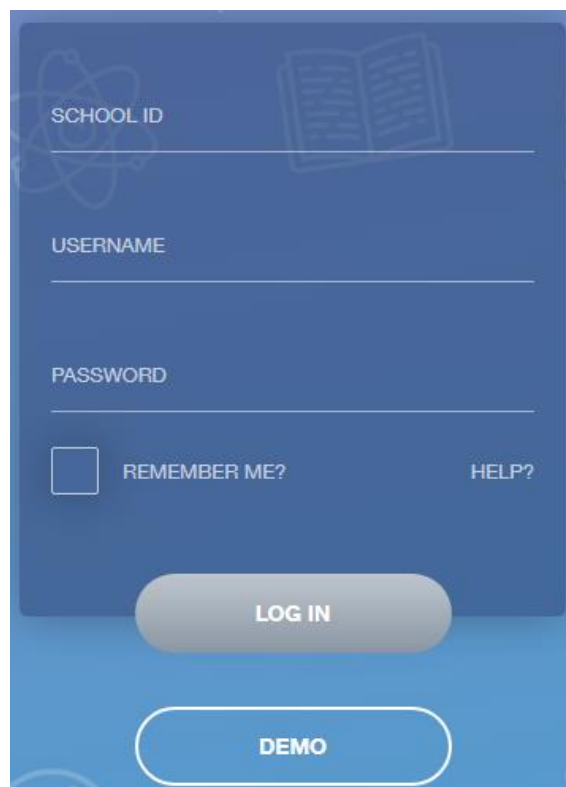

**If you forget your username or password, please contact the school.**

If you don't use the school's direct link above as, just visit <https://www.edulinkone.com/> then you will see the screen to the right, which requests your school ID as well as your username and password.

The **SCHOOL ID** is **roundwood**

Your **username** and **password** which will have been sent out to you from the school.

Once you have filled in all three boxes with your login details, click **LOG IN** to get started.

## Downloading and Using the App

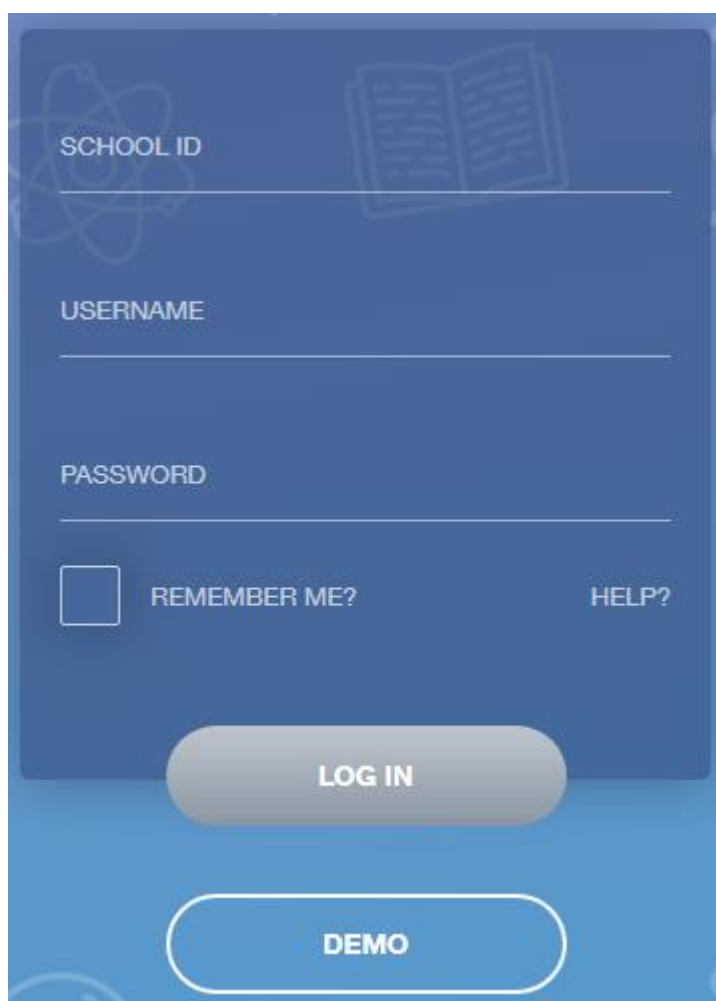

The Edulink One app is available for iOS and Android devices. You can download from these links or search in the App or Play stores.

### Apple App Store

<https://itunes.apple.com/gb/app/edulink-one/id1188809029?mt=8&ign-mpt=uo%3D4>

### Android Google Play

<https://play.google.com/store/apps/details?id=com.overnetdata.edulinkone&hl=en>

The screenshot shows the login interface of the Edulink One mobile app. It consists of a dark blue background with faint icons of a book and a globe. The interface includes three input fields: 'SCHOOL ID', 'USERNAME', and 'PASSWORD'. Below the 'PASSWORD' field, there is a checkbox labeled 'REMEMBER ME?' and a link labeled 'HELP?'. At the bottom of the screen, there are two buttons: 'LOG IN' and 'DEMO'.

If you are using the mobile app you will see the screen to the left.

The **SCHOOL ID** is **roundwood**

Followed by your **USERNAME** & **PASSWORD** which will have been sent out to you from the school.

Once you have filled in all three boxes with your login details, click **LOG IN** to get started.

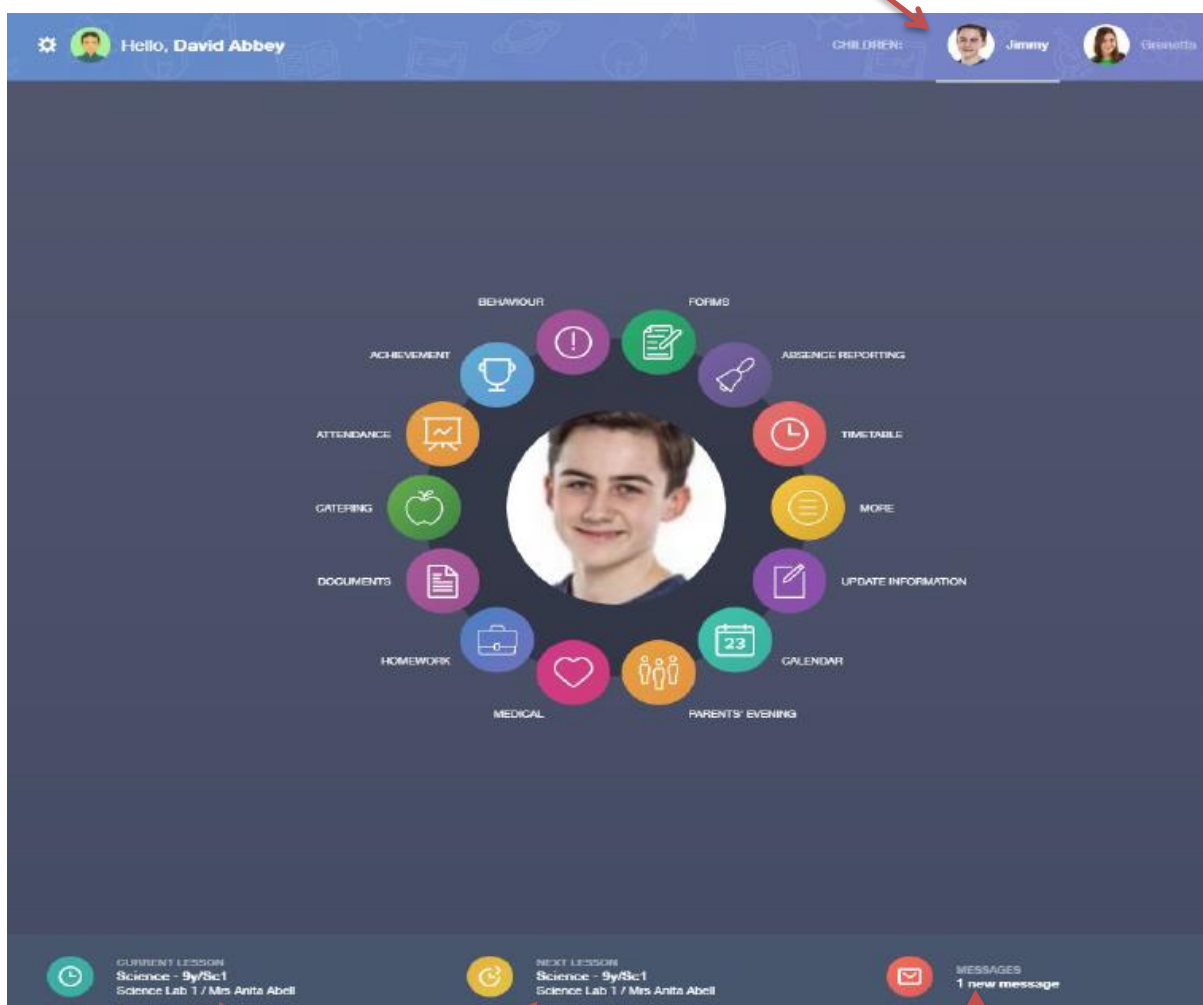

**If you forget your username or password, please contact the school.**

## Main Screen

Once logged in you will see the main screen in Edulink One, where you will be able to navigate through the different sections of Edulink One to view a selection of information about your child/children.

Please see an example of the main screen. The various options may vary between schools.

If you have more than one student in school, it's easy to switch between each one. Just select which you would like to view in the top right-hand corner.

This bar shows you what **lesson** your child is currently in, along with the next lesson in their timetable.

The **messages** button will let you know if you have any unread messages from the school.

## Behaviour

The behaviour button will give you access to **view behaviour records, detentions and lesson behaviour**, which have been assigned to your child. Information on detentions and graphs on lesson behaviour are also shown.

### Behaviour Records Tab

This tab will show you detailed information about any behaviour incidents which have been logged on Edulink One by staff. As the example below shows, each behaviour incident that has been recorded will show you on which day this has happened and various details about the incident.

Type & Date	Comment & Teacher	Action & Info	Location & Status	Points

## Update Information

This section shows you the contact information that the school has on record for yourself and your children.

Here you can review the contact information the school holds for you, but you will also be able to update this with any changes that may occur to this information. When updated information is submitted through Edulink One, this will be picked up by the designated personnel in school in charge of updating records. It will be checked by them and approved.

This side allows you to select whose details you want to check / change.

This side allows you to read and edit the current contact information for the selected person.

## Absence Reporting

This feature allows you to send a direct message to the school's attendance officer to notify the school of your child's absence or upcoming absence.

The example below shows how pick the time and date period for the absence request and the reason as to why the absence is occurring.

The screenshot shows a form for reporting an absence for Jimmy Abbey. On the left is a purple card with a circular profile picture of Jimmy Abbey and his name. To the right is the form with the following fields:

- From\***: A light blue input field with the placeholder text "Select start date and time" and a calendar icon on the right.
- To\***: A light blue input field with the placeholder text "Select end date and time" and a calendar icon on the right.
- Reason for Absence\***: A large, empty light blue text area.

Below the form is a paperclip icon for attachments, and at the bottom are two buttons: a green "SEND" button and a grey "CANCEL" button.

## Messages

The message button can be found in the bottom right of the screen. Here you can read messages that have been sent through to you from staff at the school. You can reply back to messages here directly. You can also write and send messages to one or more teachers and your child's tutor.

In the example below, the received tab is where any messages sent to you from the school will be. You have the option to read and reply from here. The sent box will store messages you've sent through previously.

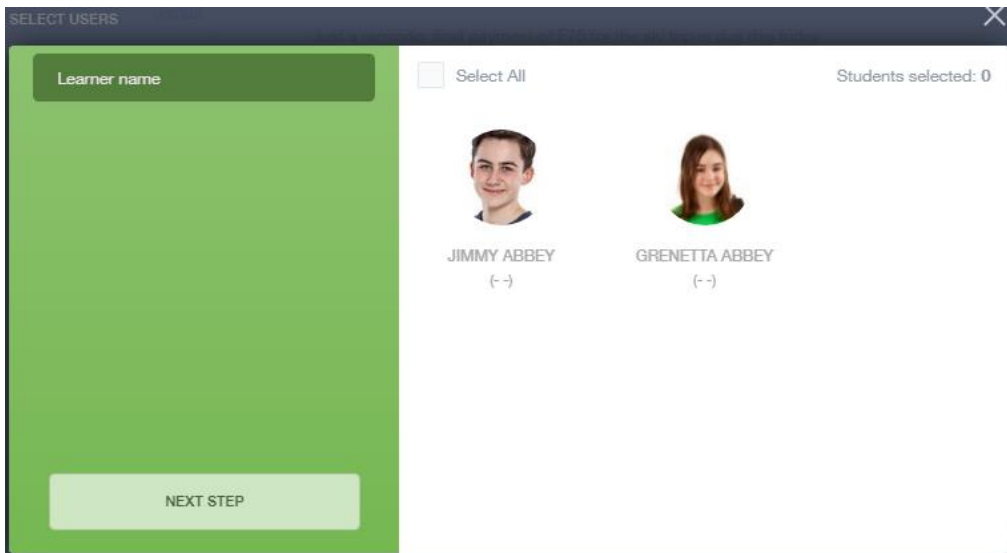

### Sending a new message

To begin sending a new message you will need to click the green **new message** button as shown in the picture above.

Next you will have to select your child/children.

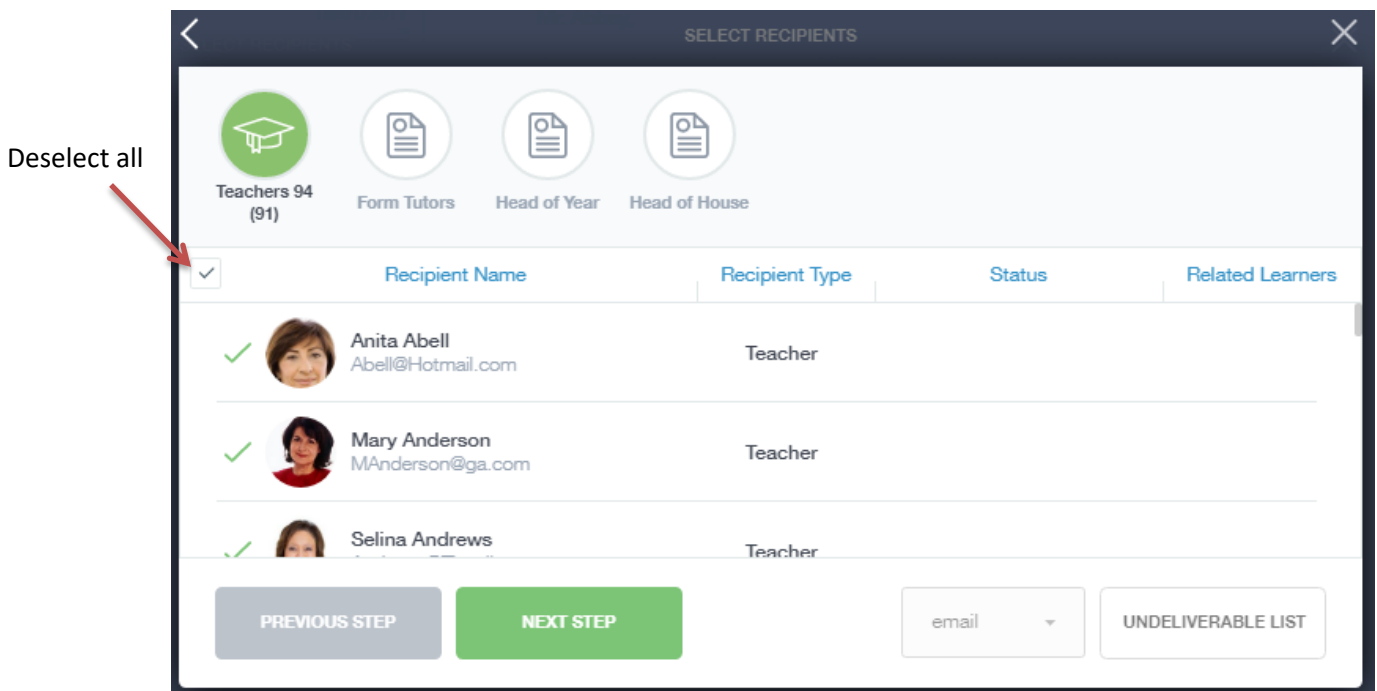

Once selected click the next step button.

Disclaimer: This information is provided by Overnet Data / Edulink One and Roundwood Park School cannot take any responsibility for any errors or omissions contained within.

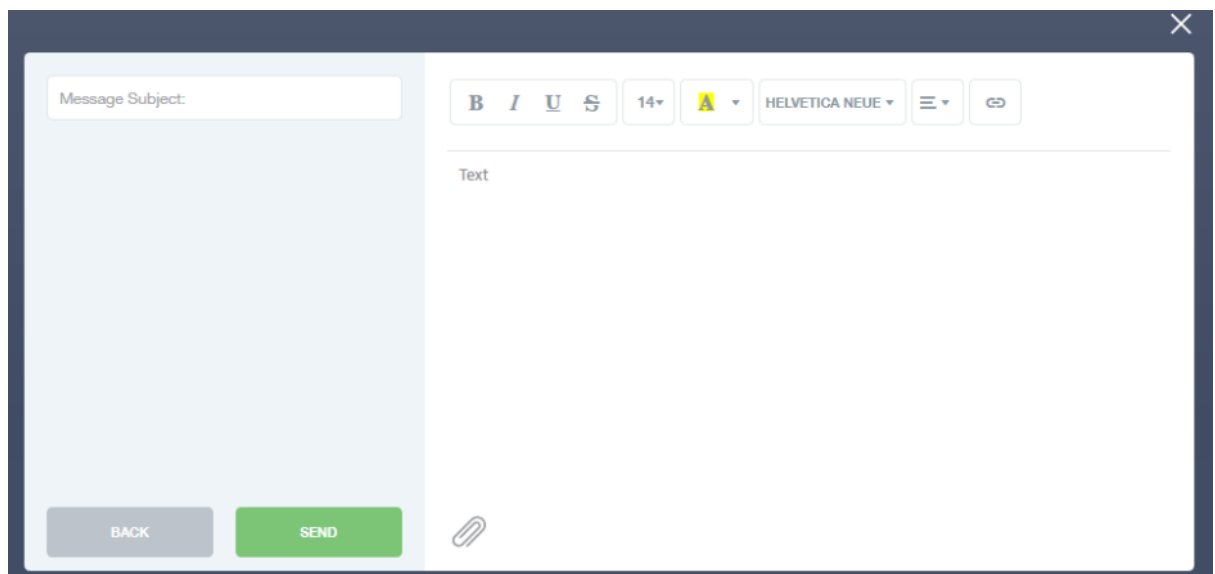

Next, choose the person to send your message to. As you can see in the example below it is broken down into teachers and form tutors.

Depending on who you want to send to, you can pick from the relevant boxes. **The default option is to pre-select all teachers.** You can see this below as each teacher has a green tick beside. This means if you send a message now, it would go to all the selected teachers. To deselect specific teachers just click on the green tick or unselect all using the smaller black tick. Click next when done.
