

Virtual Work Experience Providers

In the absence of on site work experience during the pandemic, most employers have set up virtual work experience programmes. This has created a unique opportunity to gain valuable experience & insights into top companies that students of a wide age range may previously not have accessed.

Below are details of some of the main providers who work with a wealth of employers to offer virtual work experience programmes, however many employers will also organise their own programmes, so be sure to check specific employer websites for these.
