

8 February 2023

Dear parents and carers

The catering department at Roundwood Park School has undergone many changes and improvements to the service and food on offer over the last eighteen months. This has been well received by the students, as evidenced by increased demand.

As you would expect, we are purchasing with a conscience: looking at best buys, adapting menus, using different suppliers and passing on special offers in order to obtain the highest quality ingredients at the best possible prices. Unfortunately, despite our best efforts, we are sorry to say that we find ourselves in the situation whereby prices in the canteen need to be increased. We have kept this to an absolute minimum as we are aware that many families are facing difficult financial decisions at the moment.

Meal of the day will NOT increase in price at this time and remains fantastic value at £2.70 or £3 with fruit/cookie. This is a balanced choice over the school week and offers a lot of variety.

Please note and adjust your child's catering accounts accordingly. Updated prices are attached for reference.

Thank you for your continued support.

Yours sincerely

Jenny Jacobs  
Catering Manager
