Dear Parents and Carers

Post-16 Information Evening – Wednesday 17 January 2024

Our annual Post-16 Information Evening is a very important event in the school year. The school will be open from 6pm to 8.30pm for Year 11 families who are choosing their Sixth Form provision. These arrangements inevitably mean a variation to the normal routine for existing students and this letter is to explain what will happen.

On Wednesday 17 January normal school will end at 1.20pm and there will be no lunch availability. If your child has free school meals they can have food to the value of the free school meal at breaktime.

Bus arrangements for Wednesday 17 January will be advised to students via the bulletin as soon as they are available.

The next day, Thursday 18 January, will be a normal school day.

Please could parents bringing students who are assisting at the Post-16 Information Evening help to counteract traffic congestion by following these directions

- approach the school only by coming up Park Hill and north along Roundwood Park
- please do not drive into the school grounds or drop students on the zigzags or double yellow lines in Roundwood Park
- drive away along Roundwood Park and Roundwood Lane, not down Park Hill

Many thanks in advance. With everyone's co-operation we can run this major event effectively and smoothly.

Yours sincerely

Alan Henshall
