

RPS ROUNDUP

10 July 2026

Head's Up

Dear parents and carers,

As we near the end of term, the school seems to have got busier and busier!

Last week, we were delighted to welcome our new families to the Roundwood Park community at our Year 7 Parents' Information Evening, followed by a fantastic Transition Day yesterday. Our newest students threw themselves into school life with incredible energy, even competing in their very first House activity, a Tug of War in the sports hall. They have certainly found their competitive spirit already, expertly guided and cheered on by our fantastic House Captains.

We have also welcomed our new Year 12 students. It was lovely to see so many of our Year 11 students, alongside some fresh faces joining us from other schools, attending their Sixth Form Induction. They enjoyed a day of taster lessons and transition activities designed to set them up for a flying start this September.

It has been a momentous time for our older students, too. Last week, we celebrated with Year 13 at their Prom at Luton Hoo Walled Garden. It was a true testament to the warmth and character of this fantastic year group that so many staff attended to wave them off and wish them the very best.

This week, we also gathered for our annual Achievement Evening. This was a wonderful opportunity to celebrate not only academic excellence but also the outstanding effort and commitment of our students. I was particularly delighted to present Harvey M with the Headteacher's Award, recognising the exceptional dedication and service he has displayed throughout his seven years as an RPS student. Read more about that on page 4!

As usual at this time of year we say a heartfelt goodbye to several colleagues who are moving on:

Julie Thomson is retiring after 19 years of outstanding service for the school. She has been a much-valued member of the maths faculty since 2007. In her time here

What's On

- 10 Jul - Team 1 Leaves for Costa Rica
- 11 Jul - PTA 2nd Hand Uniform Shop
- 13 Jul - Teams 2&3 Leave for Costa Rica
- 13 Jul - Y12 Model UN Day
- 14 Jul - KS3 Musical Showcase
- 14 Jul - House Art
- 15 Jul - Whole School Assembly
- 17 Jul - Non Uniform Day
- 17 Jul - Last Day - 12.10 Finish
- 13 Aug - A Level Results Day
- 20 Aug - GCSE Results Day
- 23 Aug - DofE Gold Qualifier

Please check our [SCHOOL CALENDAR](#) for all key dates and school events

BON VOYAGE TO OUR COSTA RICA TEAMS!

3 teams, made up of 60 Y11 & 12 students, and 6 members of staff, head off to Costa Rica with student travel experts True Adventure for the trip of a lifetime from today! Team 1 leaves this evening, Teams 2 & 3 on Monday. We wish them the very best time, and can't wait to hear all about it on their return!

You will also find lots of information on our website:

she hasn't just taught maths. She was the driving force behind the Duke of Edinburgh Award Scheme for many years and has ensured that hundreds of students have navigated their expeditions. A keen gardener, she leaves a legacy with our Gardening Club. Anthony Elliott is also retiring after four years at RPS. Gill Jenkins leaves us after 9 years and I have enjoyed seeing the incredible art, and textiles in particular, which has been produced by the students she has taught.

We also say farewell to Louise Wright who has been a fantastic cover supervisor this year and to Imogen Holden-Cole who initially joined us as Deputy SENCo, before successfully completing her teacher training with us. We say farewell and thank you to Susan Crook who kindly returned to RPS to cover a maternity leave in English and also to Judith Tyler who has provided invaluable support in Food Technology for the past 18 months.

As I come to the end of my first year as Headteacher, I am so proud of the staff and students. Thank you so much to all our parents and carers for your support this year; by working together, we enable our young people to flourish.

I wish you all an enjoyable summer holiday. To our Year 11 and 13 students, enjoy your well-deserved break and I look forward to celebrating your successes with you on results days in August.

Katie Barter
Headteacher

Year 12 Induction Day

It was wonderful to see lots of new faces in school last week, as well as welcoming back our own Y11 students, for our Sixth Form Induction. They had a busy day with lots to take in, as well as a sample lesson for each of their subject choices. We look forward to seeing them back at RPS in September.

Primary Languages Fair

Last Friday, we welcomed 60 students from local primary schools to the languages department for our annual Summer Fair. Our expert Year 9 Language Leaders ran exciting sessions in French, Italian, Japanese and Romanian with a great variety of activities from online Blooket games to the more old-school buying plastic fruit in a café! Our young guests left full of smiles and new words and the accompanying teachers commented on the professionalism of our Language Leaders and how fun the activities were.

Huge thanks for all the hard work and enthusiasm go to: **Izzy, Scarlett, Divyana, Heidi, Beatrice, Daniel, Vanessa, Elsie, Daisy, Sophia, Betsy, Jack, Flo, Joe, Annika, Luke and Joshua.**

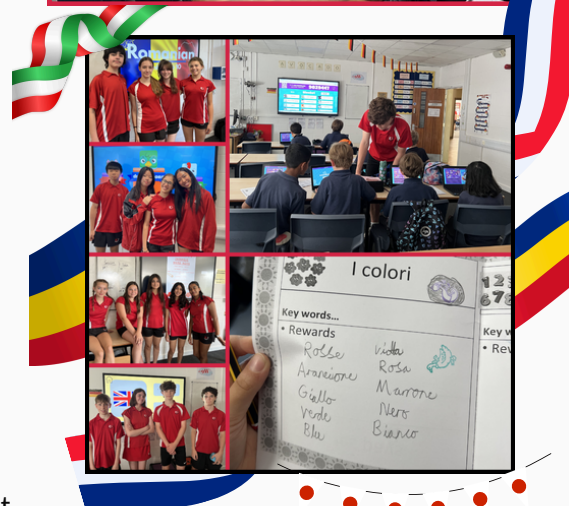

Early in the autumn term we will be recruiting our new Language Leaders so current Year 8 students may want to start thinking about their applications!

Year 6 Transition Day

We welcomed our new Year 7 students into school yesterday. We hope they had a great time - they especially seemed to enjoy the Tug of War competition! (Well done Frank House, already off to a winning start!) Students also spent time with their Form Tutors, had their first RPS lunch and got to make lots of new friends.

Thank you to our PTA for donating a book to each of our new students, they have been given a mini project to do over the summer! Go All In!

Thank you to our SLG for helping out all day and we also wanted to say thank you to Mason for designing and painting our positive pebbles this year. Our new students had the opportunity to sign the pebbles and leave their mark yesterday - so they are part of RPS already! We look forward to seeing them all again in September!

Year 13 Prom

It was an absolute pleasure last Tuesday evening to welcome our wonderful Year 13 students to Luton Hoo's Walled Garden for their Prom. It was a warm summer night perfect for getting dressed to the nines and dancing the night away! It was heart-warming to watch them all catching up, laughing and enjoying the friendships they have made here at RPS.

It was a lovely way to finish our amazing Year 13 class of 2026's time at Roundwood Park. We will miss each and every single one of them and wish them all every success in their next chapters.

Year 13 - have an amazing rest of your summer, stay safe and stay in touch! We'll see you on results day (Thursday, 13 August!).

Make sure you've signed up to RPS Alumni on LinkedIn! [>HERE<](#)

**Students have been emailed
all of the photos!**

Year 11 Prom

Our Year 11 students all looked amazing last Wednesday evening as they donned their beautiful gowns and sharp suits to celebrate the end of their exams and, for some, their time at RPS. The atmosphere was full of excitement, and a touch of nostalgia, with lots of catching up and photos outside and at the photo booth, before hitting the dance floor with glow sticks and foam light sabers!

It was a night of laughter, joy and making unforgettable memories. Whatever paths they choose next, they've already achieved something special: lifelong friendships, resilience, and a place in our RPS family. We're incredibly proud of each and every one of them.

Have a great summer Y11, we'll see you on results day - Thursday, 20 August!

emailed all of the photos!**

Careers Corner

Y12 Professional Work Placement Week

Our Y12 students were on their professional work placements last week, gaining hands-on experience across a wide range of industries. Placements included roles in biomedical sciences, psychology, law, engineering, construction, education and IT support.

This invaluable week gave students the opportunity to explore future career paths, develop essential workplace skills and build confidence in real-world settings. A huge thank you to the employers and mentors who supported our students – we are proud of the way they represented RPS and embraced the challenges of the working world.

We have had some amazing feedback which we would love to share with you all:

Achievement Evening

We had a wonderful celebratory evening at school on Tuesday as we invited students, staff and families into school for our annual year-end awards ceremony. Certificates and trophies were given from each faculty to those students who have given their best, excelled or persevered in the face of adversities throughout the school year. The evening was punctuated with superb performances by Rafi, Lucia, Eleanor, Mimi, Oliver and Lucy who sang a superb rendition of 'Burn' from Hamilton.

A huge well done to them and all of our award recipients, you are all brilliant!

Some notable awards of the evening:

Alviar Cohen Award - Annie S

Bishop Prize for Enterprise - Emma W

Sportsman of the Year - Thomas S

Sportswoman of the Year - Clara U

Headteacher's Award - Harvey M

Scholars Award - Annika C

The Jon Kinrade Trophy - Jacob R

The Jones Cup - Laria G & Brittany L

Sports Endeavour Award - Austin W

This evening is not an easy one to organise, so huge thanks go to Gemma B, Gemma W, Helen, Paula and Amy - and to our PTA for providing cool drinks on what was a very hot evening!

More photos of the evening

Maths Alumni Speakers

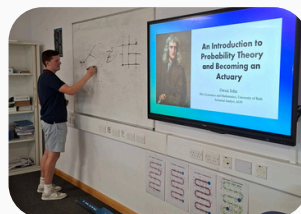

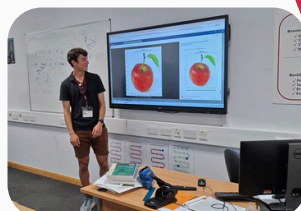

We would like to say a huge thank you to a number of our 2022 Alumni for coming in to speak to our Year 12 maths students this week:

Owen John: Has just finished his degree in Economics and Maths at Bath and will be starting work at Aon in actuarial sciences in September. He gave a talk on how to become an actuary as well as an introduction to probability theory.

Gemma and Katie Stapleton: They have just finished their engineering degrees at Cambridge and have both secured work at engineering firms. They gave a talk on how complex numbers are used in calculating impedance as well as how to apply to competitive universities.

Euan Turner: Is about to embark on his doctoral studies in machine learning at Imperial and gave a talk about how to trick AI with adversarial examples. He also gave valuable insight into how to stand out in competitive uni applications as well as how to write a cohesive personal statement that will help students stand out.

All have been so generous with their time and have given so much back to the Roundwood community, including allowing our students to contact them with any questions or help with their applications. What an extraordinary group they are!

Headteacher's Award 26

Huge congratulations to Harvey!

Second Hand Uniform Shop

Saturday, 11 July, 12.30-2pm

School Hall

See our price list here

Refreshments available too!

We would like to take this opportunity to say a huge **THANK YOU** for your support again this year - if you purchased refreshments from us at events over the last 2 weeks, we raised close to **£1000** towards air conditioning for the main hall!

RPS Athletics

We have enjoyed another fantastic season of athletics at RPS! The spirit, work ethic, teamwork and mutual support are always an absolute joy to witness, and this year has been no different. The results have been fantastic too - well done to each and every athlete who has donned the red vest this year and contributed to our achievements.

Our latest success was in the County Athletics Final, where all 4 of our teams qualified to compete. They were all magnificent and we are proud to say that our U14 girls are COUNTY CHAMPIONS! For only the third time in the competition's history, RPS have won a county league cup! Our U14 boys and U16 boys were both runners up, and our U16 girls had already achieved our goal for them by making this final. A huge well done to all of them... whatever team they were in.

It's not quite over, as we will be cheering on our students who have been selected for the English Schools Athletics Championships this weekend, and wish them the very best of luck! Follow on [@RPS PE](#) to keep updated.

Huge thanks as always to our amazing PE Team, the best in the business!

Meet the SLG

Hi everyone! We're **Isla, Erin, Rosie and Alex**, and we are your Communications Captains!

We're incredibly excited to introduce our first edition of The Park Times today! This student magazine is something we've been passionate about from the beginning, and we're so excited to finally share our first edition with everyone.

Our aim is to create something that truly represents our school community by celebrating student achievements, sharing important news, highlighting events, and giving students a platform to have their voices heard. We hope The Park Times continues to be something that everyone looks forward to reading and feels encouraged to contribute to.

Alongside the launch of The Park Times, we're also really proud of what we've been posting on the House Instagram page. It's been so rewarding to see interactions with our posts and the enthusiasm you bring to being part of our videos. We love being able to showcase our RPS community through fun, creative content on our account!

Looking ahead, we're excited to continue developing future editions of The Park Times and hope to make each one even bigger and better by including a wide range of stories, student opinions, creative work, and coverage of school events. Most importantly, we want it to be a magazine that reflects our school community and gives every student the opportunity to get involved.

Don't forget to give our SLG a follow! 

Athletes of the Year!

Huge congratulations to our athletes of the year - as presented by our PE Dept:

- U14G most improved: R Cocker
 - U14G athlete of year: M Baloch
 - U14B most improved: N Bridgman
 - U14B athlete of year: F Grebby
 - U16G most improved: NY Yiu
 - U16G athlete of year: C Upjohn
 - U16B most improved: G Allen
 - U16B athlete of year: E Gill
- WELL DONE ALL OF YOU!**

NEW EDITION OF THE PARK TIMES OUT NOW!

Culture & Diversity Week

We have enjoyed a fabulous week celebrating diversity and different cultures! Students have been creating their part of a giant 'Roundwood Jigsaw' showing that we are all one big diverse family! We also enjoyed a fantastic 'Poetry Slam' with students reading poems in languages such as Chinese, Polish, Spanish, French and German and then doing a fantastic job of trying to translate them! We have shared family and cultural recipes, taught each other basic greetings in our world language taster sessions and enjoyed a week of fabulous food from around the world created by our incredible catering team.

The week culminated with our big outdoor fair yesterday where we enjoyed badge making, adding dots to a giant map to see where we have all come from, playing traditional games such as Irish snap and 3 in a row. We were also treated to a brilliant performance from 8F who performed an international song they have learned alongside the Samba Drums -and we all enjoyed a dance to the international play list playing throughout the fair!

It was an amazing day, thank you to Mrs Bridgman, our catering team, lovely librarians, MFL team and our SLG for creating such a fantastic week.

Roundwood Park Turns 70!

We will be celebrating our 70th birthday throughout the next school year!

The school opened at 08:50 on Tuesday 11 September in 1956 with 189 on roll and a staff of 9, with the official opening taking place on Friday, 29 March 1957.

We have lots of activities planned to mark this special occasion including; competitions, a 70s themed House Music, afternoon tea for all, birthday cake and a commemorative issue of RoundUp - so watch this space!

Read all about it...

10 July 2026

Summer Reading Reading

Our summer reading challenge this year carries on the theme of the National Year of Reading to 'Go All In' on the things that spark your passion, whether that is football, tennis, Egyptian myths, crocheting, or slam poetry. We are challenging students to 'Become an expert' by reading as many different sources as possible. Reading doesn't just have to mean physical books - audiobooks and e-books count too, and beyond books we can read blog posts, newspapers and magazines, comics, song lyrics, album notes and screenplays.

Students; let us know what you have read via the google form in the Library Catalogue, and start off the new school year by helping collect points for your House!

To give you a head start, First News are offering a free online subscription for the summer - [sign up here](#)

Carnegie Shadowing Group

In other news, our Carnegie Shadowing Group finished reading and discussing the shortlisted books, and met up for a final time to discover both the Judge's winner and the national Shadower's

Choice winner - this year both awards were won by Wolf Siren by Beth O'Brien (suitable for ages 10+). At RPS however our group's favourite was Not Going to Plan by Tia Fisher, closely followed by The Boy I Love by William Hussey (both suitable for ages 14+) while Wolf Siren came in third place. We would recommend all of these books to anyone looking for something to read over the summer. Happy reading!

Battle of the Bands!

Battle of the Bands was even bigger and better this year! Last years' winner STATIC returned to the stage to open the show with a bang, to around 150 members of our community - including some of our new Year 7s and their families!

To help us with the judging we brought in some of our Alumni - thanks to Jacob, who has finished university and now focuses on composing music for film, and is also a local drum teacher. And to Herbie, who is no stranger to the school stage as front man to RPS band STRIKE FREE! They were joined by our very own music teachers Mrs McPhun and Mrs Dyde to complete our musical panel of judges.

Each of our 4 bands played 3 songs in their 15 minute set. OFFSETT have already had great success this year after winning the 'KWS Battle of the Bands' and performing at this year's 'Festival on the Field', and again they put on a great show. The amazing FREEFALL have had a busy week of performances and their chemistry on stage was second to none. But there can only be one winner and the top spot went to FUSION with their stand out Jazz infused set. They were brilliant!

Thank you to Frank House for organising this brilliant opportunity to let our amazingly talented musicians shine! Thanks to the Frank House band for taking to the stage whilst our judges deliberated, and thank you to everyone who came to watch the show and support our bands. Further thanks go to Frank House Captains Mia and Matilda for running the event, to House Leaders for managing refreshments, to Indi and Wilf for lighting and sound, to Isla on media and to all of our staff who helped along the way. We will definitely be back next year!

Ready, Steady, HOUSE Cook

It was our Ready, Steady HOUSE Cook event last week. Each Y9 form was given a country and 2 eager students came along and cooked a main meal inspired by that country's culture - in just 2 hours! They created some fantastic dishes and the panel of judges were very impressed. They had a difficult decision to make but it was.... **WILBERFORCE** who took the win! Well done **Ellie & Emily**!

Essex & Herts
Air Ambulance
Your local life-saving charity

CHARITY FUNDRAISING

Thank you!

Our wonderful students and our fabulous community, you have raised an incredible....

£20,560.96!!

...this year for our three school charities!

INTERHOUSE SPORTS YEARS 8 & 9

Well done to our Year 8 & 9 students for competing in such good spirits at their Interhouse Sports Days held over the last week. Tweaks were made, and lots of shade provided to manage in the hot weather, and our students coped brilliantly!

Congratulations go to **SCOTT HOUSE** for winning the Year 8 competition and **FRANK HOUSE** for finishing on top for Year 9. Thanks to our amazing PE team for hosting this year's series of Interhouse tournaments!

Alumni: Minecraft Workshop

Our Y10 Computer Science students and Scholars recently took part in an immersive Minecraft workshop led by RPS Alumni and Mojang professional, Matthew Clohessy. Working collaboratively, students developed innovative prototypes for new game blocks and gained valuable insights into careers within the gaming industry. A big thank you to Matthew for sharing his inspiring career journey from Roundwood Park to the global stage! It's always wonderful to have our Alumni back into school, we love to see them and hear all about their journey post-RPS!

Trampoline Squad Awards Evening

With the Trampoline Squad training throughout the year and multiple times a week, it's always lovely that they gather to celebrate the end of a season and mark the occasion with a meal together and some awards. Well done to them all for their commitment and effort! Ms Moxham & Miss Mullally recognised the following bouncers for particular achievements:

Best Newcomer – Sienna **Most Improved** – Chloe
Best Performance – Sebastian **Best Commitment** – Finlay

Teams of the Year (All National Champions!):

Boys 7-9 Intermediate: Finlay, Sebastian & Hugh
 Boys 10-14 Intermediate: Tom, Ruan, Teddy & Samuel
 Girls 10-14 Novice: Izzy, Lexie, Kiki & Molly
 Girls 10-15 Intermediate: Maisy, Isabel, Demi, Izzi & Chloe

The team also said goodbye and good luck to Izzie, Charlotte and Mollie who have been key members of the squad for many years achieving huge success at numerous National Finals. Thank you for all your hard work and commitment to the squad. All of the RPS trampoline family will miss you!

Wood End Primary Visit

Earlier this week, our Y12 Computer Science class visited Wood End Primary School to spend some time running a workshop for Year 6 to learn how to code using Python Turtle. The students had the chance to use block coding to create lots of shapes and patterns in different colours. Everyone had a great time, and the students were able to be really creative with their designs. Well done everyone!

PRIMARY MUSIC MAKING DAY!

On Wednesday, we had the pleasure of hosting 45 enthusiastic Year 5 students from Roundwood Primary School for a memorable day of music and collaboration. The students were actively engaged in djembe drumming, ukulele playing, samba workshops and singing, showcasing their creativity and passion for music.

One of the highlights of the day was witnessing the students from both Roundwood schools come together to perform in a mini concert for parents and teachers, culminating in a beautiful performance of Celestial by Ed Sheeran. The energy and excitement in the room were palpable!

The Year 5 students impressed us with their energy and creativity, embracing the workshops with great enthusiasm and a willingness to learn.

Additionally, our students demonstrated exceptional teamwork and leadership skills, guiding, and supporting the younger students throughout the day.

Huge thanks to everyone involved from both schools and we look forward to future opportunities for collaboration and music-making with Roundwood Primary School!

MFL Rhineland Trip

Das Rheinland war wunderbar! But don't take our word for it, Sebastian in 8O has written us a trip review...

“The German trip to Rhineland was an amazing experience where we got to have loads of great fun while developing our German language skills. I personally had a wonderful time where I got to travel to amazing places, see excellent views across the Rhine, visit historic castles and churches and of course practice my German skills by having multiple conversations in German. We went to an amazing hotel with a great balcony with a view across the river.

The highlight of the trip for me was on Thursday when we went on a beautiful cruise and I went with our group of three to a lovely local cafe where I spoke in German with the friendly staff.”

MFL Paris Trip

“Over E Week 100 Year 8 students got the amazing opportunity to go to France on a school trip organised by the languages department. The highlights were the markets where we got to put our French into practice buying lots of items and partaking in a scavenger hunt, the Sacre Coeur where we got our cardio in climbing all those steps, the boat trip where we saw all the sights of Paris including the Notre Dame, however the most popular activity by both the teachers and students was visiting the incredible Fontainebleau and seeing its beautiful grounds and artwork.

Furthermore, at the actual PGL Chateau the activities didn't disappoint; the pool, the blind trail, orienteering and the silent disco were great fun and enjoyed by all. Everyone who went really enjoyed this experience and would like to say a massive thank you to all the staff involved, especially Miss Harris for organising the trip, Mrs Phillips for leading Coach 1 and the coach drivers for all their support.”

Huge thanks to all staff, both on and off the trips, who made them possible!

Photos will be sent to students who went on the trips!

Learning Support Parent Survey

As we approach the end of the academic year, the Learning Support Department would value your feedback about the SEND support at Roundwood Park. Please [click here](#) to complete a short survey.

The survey will be available until Friday 17 July

Science Trip to the Euro Space Center in Belgium!

57 Year 9 students successfully completed their astronaut training at the **Euro Space Center** in Belgium over E-Week! We learnt all about space travel, life as an astronaut, and exactly what 3g force feels like...

Students took part in a range of hands-on activities, including a space shuttle simulation, a moonwalk simulator, and the rotating chair used to understand how astronauts cope with movement in zero gravity. Students also explored interactive exhibitions on the history of space travel, life on Mars, and the future of space exploration. They even tried their hand at building and launching mini-rockets!

Alongside the space centre, we got the chance to explore a 9th century castle, discovering what life was like in medieval Belgium. We also visited a stunning network of limestone caves, learning how they formed and enjoying the chance to explore deep underground. To top it off, the trip included a visit to a traditional Belgian chocolate shop - where we obviously had to taste lots of samples!

A big thank you to Mr Jacquinot for organising the visit, and to all of the other staff involved.

More photos will be sent to students who went on the trip!

Geography Trip to Liverpool

Our Y12 Geography students are still making the most of their field trip to Liverpool! As part of their A Level NEA projects, they have been carrying out a range of field investigations, including researching the regeneration of Liverpool city centre and investigating the sand dunes at Formby Beach, exploring the impact that both people and the natural environment have on these unique coastal landscapes.

It's been a busy and rewarding few weeks, and we would like to say a huge thank you to our fantastic Geography team for providing such valuable hands-on learning experiences.

Y7 Speaker's Cup

The winner from each Y7 form delivered their impassioned speech to the rest of their year group, as well as visitors from Wood End Primary School, in our Speaker's Cup Final this week. They were all fantastic and made it a very tough decision for our Head Student judges. Congratulations to every single one of them, but particularly **Etta** who took home the trophy!
